Shoot, crash, and burn! If you like in-your-face action, this is the game for you. (updated 4-3-2016) If you are in search of an arcade game that is easy to play yet extremely challenging, look no further! It is one of the best game we've found on the web in recent years, and it won't disappoint. It is a different type of game with awesome visuals, sound effects, and plenty of action. The game requires an in-browser 3D graphics engine, and you'll need a capable browser to run it. In this game you control the Black Eagle with your mouse. The goal of the game is to shoot down the enemy planes by moving your mouse in the direction of the plane you wish to shoot. In the first round of the game, you will be facing four planes. You have 30 seconds to shoot them down. Make sure that you have enough ammo for the game, as you will need to collect ammo crates throughout the game. When you have accumulated enough points you will be awarded with a new plane. You will continue to shoot down the enemy planes until you lose all of your planes. You will also be awarded a bonus for collecting a crate of ammo. If you can destroy all of the enemy planes, you will unlock the next level of the game. Each level of the game will provide you with a total of four planes, each with increasing difficulty. You can get a free and totally unlimited trial of this game by clicking on the link below. You can download the trial version to your computer, and the game will run perfectly as if you purchased it.
